SHOW BIZ SPLASH... Bimbo the whale made his formal debut in show business this week by leaping into the spotlight at Marineland of the Pacific where a pretty guest feeder, Joyce Cannon, helped put him through his paces. The 3000-pound, 18-foot male whale has been working out with two lady whale stars—Bubbles and Squirt—for some time. He finally mastered the high jump and a few other tricks well enough to be accepted as a full-fledged member of the troupe.

Marine Pvt. Carl F. Detweiler, son of Mr. and Mrs. Frederick H. Detweiler of 4916 Mindora Dr., is attending a 16-week course in Basic Electronics at the Treasure Island Naval Station, San Francisco.

He reported to San Francisco from Camp Pendleton, Calif. The course includes classes in A.C. and D.C. current, radio

Nine different tests, given repeatedly, indicated greater growth for multigrade children. One important aspect, he noted, was that each parent had to ask that his child be enrolled in the multigrade program.

WALTERIA Teacher Shirley Cullum, now teaching a multigrade for the fourth year, cited these advantages:

3. Social growth comes from interaction of older and younger children. Children help each other and learn from each other.

BOTH MRS. Cullum and R. A. Phelps, Steele teacher, agreed that they try to individualize instruction by various methods—grouping by ability in various areas, giving individual assignments, giving individual projects.

Before he came to Torrance, Phelps said, he was "a dedicated textbook instructor trained to teach only subject matter. After five years, I was bored with the subject matter and so were the students."

THE MULTIGRADE program helped to individualize the program, he said. It has to be so designed to interest each child at his ability level and to make the information meaningful.

Periodic parents opinion survey at Steele School indicate that an overwhelming majority of multigrade parents are pleased. R. K. Petrat, principal said.

Of parents surveyed, 86 per cent wanted the multigrades continued; 83 per cent felt their children were more interested in school; 87 per cent liked the idea of having the same teacher three years; and 83 per cent felt that both brighter and slow children did better.

IN ELKS SHOW... Three of the chorus line cuties who will be featured in the annual "Elks-A-Poppin'" show at the Torrance High School auditorium Friday and Saturday evening strut their stuff for the cameraman. From the left are Marian Jones, Arlene Lyons, and Grace Huffine. The show, produced annually by the Torrance Lodge B.P.O. Elks, is staged as a benefit for Cerebral Palsy. Tickets are on sale by members of the lodge or can be obtained at the door.

Property Owners and Registered Voters Assn. has been called for Monday evening at the Lomita Elementary School auditorium.

A REPRESENTATIVE of the county water system will discuss the current situation at that meeting, according to Mrs. Myers.

Also scheduled for discussion at the meeting is the proposed annexation of the Crenshaw - Lomita Blvd. area of Lomita to Torrance.

"If the property owners stuck together and refuse to be annexed, there is no cause for alarm," Mrs. Myers said in a letter sent to members of the group this week.
